

Lane United FC
———— PRESENTS ————

A Summer of Soccer

Lane United Football Club

Lane United FC is an amateur soccer team based in Eugene / Springfield, Oregon. LUFC began play in May of 2014, in the Northwest Division of the nationwide Premier Development League (PDL). Home games are played at the Willamalane Center on 32nd & Main Sts. in Springfield.

Since its first season, Lane United has strived for excellence on and off the pitch. In 2014, LUFC won the PDL Rookie Club of the Year award. In 2015, LUFC saw two of its players recognized for their playing achievements, with forward Khiry Shelton being drafted second overall in the 2015 MLS SuperDraft and forward Timmy Mueller earning the PDL Young Player of the Year Award.

Lane United has improved again with a strong start to the 2016 season, earning its first road win in the season-opener against the Portland Timbers U-23s, then battling to three draws against the Kitsap Pumas, Victoria Highlanders, and a thrilling 3-3 versus the Timbers U-23s. The undefeated Reds head out on the road again to take on the Seattle Sounders U-23s and Washington Crossfire before a 6-game homestand closes out the month of June.

Off the field, Lane United and its corporate partners have a full schedule of events which includes activities for fans of all ages. For more information about the Summer of Soccer, see the attached schedule and visit **laneunitedfc.com**
